Office Note

Letter No. 3438/258 Dt 23rd Jan. 02 from the I. G. of Police in Mysore.

With the above the I.G. of Police forwards Copy of Docket No. 176 Dt 11 Dec. 01 from the Dy. Commr. Mysore together with the T. A. bill of the Special Reserve Police Cott, Mysore for April 01, audited for Rs 25-12-8 & in which the Comptroller has disallowed batta at the rate of annas 3 per day to Special Reserve Police Sergeants whereas he has allowed the same to the Special Reserve Police constables of the same force, on the ground that in the Govt. Proceedings No. 3821-22/Pol. 426 Dt 11 Sep. 1900 which sanction batta at the rate of as 3 per day for Special Reserve Police constables and which

have been incorporated in the new Edition of the Mysore Service Regns (Art. 528 clause (9)), no specific mention is made of Sergeants. The I.G. and the E.C. contend that "it seems an anomaly that a Sergeant of one and the same force should (under ordinary rules) get an allowance less than his subordinate constable when the duties & requirements of both are of the same nature". They recommend that Govt may be pleased to extend the benefit of the above proceedings to Special Reserve, Police Sergeants also, i.e. to allow them to draw daily allce of annas 3 per day in the mofussil and as 4 per day in Bangalore.

Note

With reference to the 3rd councillor's order it is respectfully submitted as follows:—

The rate of batta sanctioned to Special Reserve constables in Govt Pro: No 3821-22 / PHA 426 d. 11/9/00 and embodied under clause 9 of art 528 cannot be extended to the Special Reserve Serjeants without any limitations. Because taking for instance the case of the Serjeant in question into consideration, the following facts are apparent.

His pay is Rs 15/.
His daily allce will be
R 0-2-4 4/5 or 0-2-5 in Maidan
R 0-4-9 in malnad

If, as ordered, the rate be extended
his daily allce will be 0-3-0 in Maidan
and Re 0-4-0 in malnad.

Thus the Serjeant though a gainer in Maidan is a

is a loser in Malnad.

2. The pay of the Special Reserve Serjeants varies from Rs 12 to Rs 20. Their daily allce will ~~therefore~~ therefore vary from —
R 0-1-8 to 0-3-2 in Maidan
R 0-3-4 to 0-6-4 in Malnad

But if the rate be extended as now directed, their daily allce will be limited to annas 3 in Maidan and annas four in Malnad.

In such circumstances, orders are solicited as to whether clause 9 of art 528 may be amended as follows:—

"(9) Special Reserve Serjeants and constables when deputed on special duty } daily allce equal to 3/10ths of their pay subject to a minimum of as 3 for Maidan and annas 4 for Malnad"

3. While on the subject, it is also respectfully submd that as art 528 treats of mileage rates clause 9 thereof which treats of daily batta, seems to be out of place. This clause is apparently based on Govt Ord: No 3821-22/PL A 426 d: 11/9/00 which sanctions

×(1) Bangalore Special Reserve
2 Drill Serjeants at 15-1-20
2. Serjeants at 14
2 —do— at 12.
Shimoga Special Reserve
1. Drill Serjeant at 18
Tumkur Special Reserve
1. Serjeant at 18.
Mysore Special Reserve
2 Drill Serjeants at 18 each

sanctions an enhanced rate of batta and as such should be placed under art 557 which treats of the rates of daily allces.
May the clause be therefore added to art 557 as amended above and denoted by (d).

Subd for orders.

The suggestion is a sensible one & I think that both the alterations, especially the first one, may be made.

they had to halt there for periods exceeding 10 days. As these men have undergone heavy expenditure for their subsistence &c requests that necessary sanction may be kindly obtained as hitherto, to the charges made in the bill.

The Comptroller has disallowed the daily allowance of annas 3/- charged in the bill for the Special Reserve Sergeant on the ground that the Special Reserve Sergeants are not included in the Government Proceedings No: 38 21-2 / Pge 426 dated 11th September 1901 sanctioning the increased rate of daily allowance to the Special Reserve Police (Article 528 Mysore Service Regulations). As per article 557 of these regulations the daily allowance of a Special Reserve Sergeant would be less than annas 3/-. It seems an anomaly that a sergeant of ~~one~~ and the same force should get an allowance less than his subordinate constable when the duties and requirements of both are of the same nature. Requests that Government may be kindly moved to sanction at least the higher rate of annas 3/- to the sergeants also.
